

Festival Fund Guidelines

Festival Fund Purpose

The International Center Festival Fund, supported by the Indianapolis Foundation, an affiliate of Central Indiana Community Foundation (CICF), as well as the Christel DeHaan Family Foundation, serves internationally focused organizations that showcase and celebrate cultural diversity in Central Indiana, namely Marion and surrounding counties. The Fund was established to promote the activities of organizations that enrich cultural life by celebrating cultural expression in a variety of forms and encourage understanding and appreciation for different cultures.

Preference of sponsorship will go to organizations promoting education about the nations that represent the residents of Central Indiana and that highlight the arts, cultures, foods and traditions of those nations. Consideration will be given to both single and multi-day events that are open to the public and where promoting a more diverse Indiana is fundamental to the event.

Applying organizations are advised of the following:

- The Fund supports not-for-profit organizations only.
- The grant range is \$500 - \$2000. The entire award up to \$2000 must be utilized for the event.
- Generally, only one request per organization per calendar year should be submitted.
- The request should be signed by the organization's Board Chair, Executive Director, President or CEO.
- Awardees must comply with The International Center's event promotion guidelines.
- A final report showing how the grant money was used, including photographic documentation of the event, must be submitted within 30 days after the event.

Collaborations & Partnerships

Collaborative efforts utilizing the strengths and knowledge base of more than one organization are highly recommended. Priority will be given to collaborations that reduce duplication of efforts and maximize the number of people served by the program.

Application Process

Requests for event sponsorship are accepted on an ongoing basis but not less than 60 days prior to the event date, which allows enough time to accommodate any publicity deadlines (i.e. printing of brochures, fliers, etc.). The Festival Fund is a competitive process with a limited budget, and application submittal does not guarantee funding. Acceptance/decline notification will generally occur within three weeks of receipt of a *completed* Festival Fund application. A complete Festival Fund application includes:

- Festival Fund Application Form**, including budget information and a marketing plan outlining the projected types and quantities of materials that will be used to publicize the event, such as, "50 posters to be placed 2 weeks prior to the event in store front windows; 100 printed programs to be distributed to patrons at the event, 2 banners to be hung at the corners of Meridian and 30th and Binford Boulevard and 65th, etc."
- Sponsorship document** outlining the benefits of all festival sponsorship levels offered, along with sponsors committed to date and their sponsorship levels. For example, "\$500 Silver Level: banner displayed, mention in newsletter, etc."
- Proof of 501 (c) (3) not-for-profit status**. If the organization is not a 501(c) (3), include a copy of the fiscal agent's not-for-profit status.

To complete the application, visit our website at www.internationalcenter.org. Under the **What We Do/Community** tab you will find the Festival Fund sub-tab. Use the provided form, being sure to include *all attachments*: the application and budget, the marketing plan, and the sponsorship information document. Incomplete submissions will not be considered. **Please allow enough time to accommodate any deadlines as it relates to the printing and distribution of marketing materials (i.e. brochures, fliers, etc.).**
