Looking for a job with international flair? The International Center is now accepting applications for our executive assistant/board liaison opening!

Deputy Chief Waters was a true champion of diversity who heartily embraced The Center's efforts to assist with elevating cultural awareness and sensitivity within the public safety community. Like so many others, we feel we have lost a friend, but we remain poised to continue the work Deputy Chief Waters and his team considered so vital.

## SIX GROUPS OF INTERNATIONAL LEADERS VISIT INDIANAPOLIS

July was bustling in the Office of Protocol with The International Center hosting six international visitor exchange programs. The Center hosted groups of international leaders from India, Poland, Ethiopia, Korea, Australia, Indonesia, Malaysia, Timor-Leste and Vietnam. The topics covered ranged from computer science education and combating human trafficking, to the refugee crisis and leveraging sporting events for economic growth.

Each of the groups also had the opportunity to partake in home hospitality dinners where they enjoyed cultural exchanges with Hoosier families over a shared meal.

If you are interested in serving as a professional resource or hosting international visitors for hospitality dinners, contact Peter Kirkwood, protocol officer.

All qualified applicants are asked to submit a cover letter, resume, three references and salary history/expectations to Tyler Smoot, office manager.

If you're a student looking for a comprehensive international experience with a great nonprofit, look no further than The Center.

Check out the opportunities on our website, then forward your information to Hannah Day, manager of protocol & visitor services. We can't wait to hear from you!
